1917(b) of the Act
as amended by the
Omnibus Budget
Reconciliation
Act of 1993

4.17 (c) Adjustments or recoveries for Medicaid claims correctly paid are as follows:

(1) For permanently institutionalized individuals, adjustments or recoveries are made from the individual's estate or upon sale of the property subject to a lien imposed because of medical assistance paid on behalf of the individual.

(2) For any individual who received medical assistance at age 55 or older, recovery of payments are made for nursing facility services, home and community based services, and related hospital and prescription drug services.

X Payments are recovered for other Medicaid services provided to individuals at age 55 or older. (List services.)

All services

— Payments are recovered for other Medicaid services provided to individuals at age (identify age, older than 55 and list services).

(3) For any individual with long-term care insurance policies, if assets or resources are disregarded, recovery is made for all Medicaid costs for nursing facility and other long-term care services from the estate of persons who have such policies. (Note: In States that already had such disregards, under a State plan amendment approved as of May 14, 1993, assets remaining in the estates of deceased Medicaid recipients are shielded from recovery to the extent of payments made by their long-term care policies.

(d) No money payments under another program are reduced as a means of recovering Medicaid claims incorrectly paid.
